RECYCLING  
SERVICE

For the first time, Hampshire's Household Waste Recycling Centres (HWRCs), are pleased to welcome businesses and traders. From 1st October 2016, many of the county's HWRCs will offer a 'pay by the load', quick and convenient recycling and waste disposal service. To find out more go to: [www.veolia.co.uk/hampshire/hwrc/trade](http://www.veolia.co.uk/hampshire/hwrc/trade) or call 0203 567 4440.

## Duty of Care

Under the Environmental Protection Act (1990), traders have a legal "duty of care" to take all reasonable steps to store and dispose of waste safely. When transfer and payment has taken place, a waste transfer note will be completed. You should keep a copy of this for your records in case you are asked to produce it by the Environment Agency or local council at any point.

## Waste Carriers Licence

Anyone carrying waste for profit must be authorised to carry the waste and hold a valid waste carrier licence. Waste will not be accepted unless a valid waste carrier licence is shown. To find out more or to apply for a licence visit [www.environment-agency.gov.uk](http://www.environment-agency.gov.uk) or call 03708 506 506.

## Alternative Disposal Routes for Hazardous Waste

The Trade Waste Service is unable to accept hazardous waste. A directory of licensed private waste disposal companies is available online at [www.hants.gov.uk/waste-recycling/commercialwaste](http://www.hants.gov.uk/waste-recycling/commercialwaste) or by calling Hampshire County Council on 0300 555 1389.
